His Excellency  
Mr. Ieng Mouly  
Senior Minister  
and Chair of the National AIDS  
Authority of Cambodia

10 December 2020

Your Excellency,

I would like to express my profound thanks to you for your participation and significant contribution in the panel discussions of the regional meeting devoted to the World AIDS Day in Asia and the Pacific, held on 2 December 2020.

I am thankful for your time and profound insights. It was imperative to gain your expertise and learn from the experience of Cambodia in ensuring continued access to HIV services during the Covid-19 pandemic, and leveraging the structure of the HIV response to address stigma, discrimination and the socio-economic impact faced by key and marginalized populations.

The regional meeting was a unique opportunity for us to address essential challenges faced by people living with HIV and key populations during the Covid-19 pandemic. Also, it was an auspicious occasion to reaffirm our commitments to enhancing coordination and intensification of national, regional and international efforts in the response to the dual epidemics of HIV and Covid-19.

I take this opportunity to thank you for the fruitful collaboration in 2020 and I look forward to our continued collaboration in 2021. I wish you all the best in the year to come.

Please accept, Honourable Minister, the assurance of my highest consideration.
