5.3- Conclusion and Recommendation by H.E. Chair

- The statistic interpretation should be in Khmer language
- The national policy draft should not be presented yet in the NAA plenary meeting;
- The presentation at the NAA plenary meeting should be the progress and achievements of the first 6 months, particularly, IDpoor for PLWHIV, equity fund for HIV target group, the expenses of 60 and 80 million riels,

the HIV and AIDS plan integrated in the commune development and investment plan;

- Fast Track City in four provinces should be monitored continuously;
- Further discussion with NCHADS to make a testing card to get social security fund;
- The national policy is to encourage people to test and to improve prevention focusing on condom promotion, legal barriers removal and behavior change communication;
- The prevention should have roadmap from 2023 to 2025 on using 3 preventive interventions funded by the MoEF;
- Some preventive intervention should be implemented actively by civil society, therefore financial support by government also be initiated
